ASSIGNMENT

WHEREAS, I, Marco Tartagni (hereinafter referred to as ASSIGNOR), having a post office address of Via Mastri, 17, 47014 Meldola, Italy, am the sole inventor of an invention entitled "CAPACITIVE DISTANCE SENSOR," as described and claimed in the specification forming part of a continuation-in-part application for United States letters patent executed concurrently herewith; this application is a continuation-in-part of U.S. Application No. 08/799,548, filed February 13, 1997, which claims priority on European Application No. 96830068.1 filed February 14, 1996.

WHEREAS, SGS-Thomson Microelectronics S.r.l. (hereinafter referred to as ASSIGNEE), a corporation of the country of Italy, having a place of business at Via C. Olivetti, 2, I-20041 Agrate Brianza, Italy, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all countries of the world;

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto said ASSIGNEE the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all countries of the world, and in any and all divisions, reissues and continuations thereof, including the right to file applications worldwide directly in the name of ASSIGNEE and to claim priority rights deriving from the first filed application to which said worldwide applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had he been the original owner and this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents required for the making and prosecution of applications for United States and letters patent in all countries of the world on said invention, for litigation regarding letters patent, or for the purpose of protecting title to said invention or letters patent therefor.

Applicants' counsel is authorized to insert the official filing date and application number information when it becomes available.
